

THUNEVIN

Bad Boy Chardonnay

Vin de France

Always looking for new oenologic experiences, Jean Luc Thunevin started 1 hectare of Chardonnay in 2011 on a clayey limestone plot.

This plot is a close neighbour of the plots dedicated to the production of the white Valandraud and Virginie de Valandraud planted with traditional Bordeaux grape varieties.

Technical data

Hand picking harvest by 3 pickings according to the maturity of the grapes/

Yield 50 hl /ha

Production : 6000 bottles for vintage 2014 (3rd vintage)

Alcoholic fermentation 1/3 in new barrels, 1/3 in used barrels for 1 wine, 1/3 in used barrels for 2 wines

Ageing in barrels during 12 months

Consulting Oenologist : Athanase Fakorellis
