

THUNEVIN

BAD GIRL

Crémant de Bordeaux brut

Our Bad Boy was long overdue to meet a Bad Girl !

Crémant de Bordeaux elaborated in Montagne Saint Emilion, this cuvée has specifically selected by par Jean-Luc Thunevin and Murielle Andraud .

Also available in a **rosé** version.

Technical information

The grapes are harvested in the Northern Entre Deux Mers, from late maturity plots in order to reach the perfect sugar/acidity balance.

The grapes are manually harvested and sent to the press without prior crushing. 150 KG of grapes yield 100 litres of juice.

Similarly to a still white wine, then follows a fermentation in tank at 18°C, no malolactic fermentation.

No fining but a sterile filtration

Ageing « sur lies » in natural underground cellars with constant temperature : 20 months

Grape varieties/ blend : 70 % sémillon 20 % cabernet franc 10% muscadelle

Production : 20 000 bottles
