

THUNEVIN

Domaine Virginie Thunevin

Bordeaux Rouge

Jean-Luc Thunevin bought in 2006 this property for his daughter Virginie Thunevin that gives the name of Domaine Virginie Thunevin. The care of the vines, the harvest and the winemaking are followed by the same managing team as Château Valandraud: Christophe Lardière as head of the vines, Rémi Dalmasso as cellar master and Jean-Luc Thunevin as always with Claude Gros. The aim is to make an affordable and delicious Bordeaux wine!

Technical Information :

| | |
